MEMORANDUM

CONFIDENTIAL

26 August 1946

TO: Mr. A. C. Ulmer, Jr.

FROM: Mr. Zsolt Aradi

Many thanks for the personal papers you sent me. This is another token of your valuable friendship. As is evident from the attached official memo and reports, I left on the 6th and came back at the 20th. Thus I got your papers here after my return.

I could not go to Naples because I had no time for my personal business. I saw my family for two days. They will not be in Rome until October. Now in possession of the documents, during my stay in Rome in September I will go to Naples.

Before I go to Rome on official business, I would like to stay away from everything for 5 to 6 days because I really feel exhausted, not having had any real rest since I am with the organization. With your permission, I will stay with my family before going to Rome and that will be sufficient rest for me.
